Text Annotation

# PSPDFKit for Web
Quick Start Guide

The Toolbar

The main toolbar features navigation tools to the left …

… and annotation, save, and search tools to the right.

The Options Bar

When a tool offers additional options — such as font settings, opacity, and color — the options bar appears below the main toolbar.

Selecting an annotation tool or an annotation itself will open the annotation options bar.

PSPDFKit for Web Tools Overview

Port (DF) is
a universal file format that preserve
all of the fonts, formatting, colours
and graphics of any source documen
regardless of the application and th
platform used to create it. It's an id

Highlighting Text

Selecting text will show a menu with options to highlight, strike through, underline, squiggly underline, or redact the text.
